22nd and 23rd December 2017, Secunderabad., iceemas@gmail.com

SVIT-ICEEMAS: Invitation for Participation in International Conference on Electrical, Electronics, Materials and Applied Science (ICEEMAS) organized in Swami Vivekananda Institute of Technology (SVIT), Secunderabad, Telangana, India.

Dear Professor/Researcher/Participant/Author,

We are pleased to invite you to participate in the upcoming conference on “International Conference on Electrical, Electronics, Materials and Applied Science (ICEEMAS)” to be held in Swami Vivekananda Institute of Technology (SVIT), Secunderabad, Telangana, India., during 22nd and 23rd December 2017 the conference is technical and financial sponsored by SVIT.

Conference objective

The major objective of this International Conference on Electrical, Electronics, Materials and Applied Science is to assemble scholars and researcher practitioners from diverse disciplines who are involved in studying Electrical, Electronics, Materials and Applied Science. Our goal is to bring together about dozens of attendees, some as presenters, some as discussants and other as active participants/organisers for two day event in SVIT, Secunderabad, Telangana, India.

All papers will be peer reviewed; accepted full-length (6 page) papers will appear in the Conference Proceedings and All Papers will be submitted to AIP: Proceedings or Journal of Materials and Environmental Science indexed by SCOPUS.

This official letter may consider using for Visa process if required.

Please visit www.iceemas.org to learn more about conference. We look forward to your participation In ICEEMAS 2017.

Thank you for your contribution to SVIT-ICEEMAS 2017.

Sincerely,

With regards

Prof. Shankar Nayak Bhukya
